## Basic Class Information:

- Trail Studs can run on snow only!
- Improved Stock Class (snow) can run picks or chisels
- 660 Turbos/Vectors will run in 500 class.
- Apex/Nytros/Vipers will run in their own class (will have option to run in 800& up classes)
- 1200 Skidoos will run in 600 class.
- Stock Z1 Turbos and XF Turbos will run in their own class.

## Safety

- Tethers on all sleds
- Safety jackets or Tek vests are highly recommended.
- Use proper warm-up stands. Anyone caught lifting the rear of the sled in order to warm up or clean out the sled will be disqualified for that run!
